## Building a Bridge

Wednesday, April 8, 3:30-5:30 p.m.

2850 Telegraph Avenue, 6th Floor

The Student Information Systems (SIS) Project invites you to come connect with fellow IT colleagues, take a tour of the SIS Project office space, hear about the work we are doing and get answers to any questions you may have about the project.

Enter to win prizes and participate in literal bridge building.  
Light refreshments and beverages will be provided.
